## Things that everyone did as a kid

Think you were a weird kid? Don't worry - we all were... Never a more awkward moment ... Or, occasionally, ruining everything ... Anyone else still do this now? A good habit to get into! via : Imgur Again, we still sometimes enjoy this. Being a kid was good fun. Definitely a waste of good soda. Baby Yoda gets it! Fancy more meme content? Scroll on for some of the most wholesome online content. The big dictionaries strive to compile every word that can be found so there is a complete record of a language. The Oxford English Dictionary, published in the late 19th century, set the framework for dictionaries around the world. Smaller-sized dictionaries include words that are likely to be looked up.Characteristics of a Good Dictionary for ChildrenGood children's dictionaries include complete and easy to understand definitions along with helpful illustrations or photos. Visuals combined with words make it easier to grasp even the most difficult concepts. The average person uses only a small fraction of available words and phrases. A comprehensive dictionary that includes a complete list of commonly used words can help your child improve his grammar and increase his knowledge of the English language as well as improve his spelling.How to Choose the Best Dictionary for Your ChildBe sure you choose a recent edition when you buy a dictionary for your child since the English language has become more fluid in recent years. Resist the urge to buy a dictionary that your child can use throughout his school years. Instead, buy an age appropriate dictionary that is specifically designed for your child's age group. Dictionaries come in a range of formats, from coffee table style books to pocket style books that are easy to carry. Therefore, a dictionary is available to suit your child's particular needs.Dictionaries for ChildrenThoughtCo, an online reference site that focuses on expert-created education content, recommends several dictionaries. The Merriam-Webster Children's Dictionary, with over 35,000 words and phrases, is an ideal resource for children in elementary school. Many dictionaries come with special appendices, pictures and more. Thorndike Barnhart Children's Dictionary also includes over 35,000 words and phrases along with a 14-page reference section. An older child may benefit from a combination dictionary and thesaurus.Specialty DictionariesEvery dictionary is compiled with a specific group of users in mind. Your child will be motivated to use the dictionary that you purchase for him if it has a theme that he finds interesting. For example, the Roald Dahl Dictionary features Dahl's inimitable vocabulary along with Quentin Blake's well-known illustrations. The Oxford First Dictionary, featuring computer-generated images, may interest your child if he enjoys computer games. The Multicultural Children's Visual Dictionary comes in four languages.Online DictionariesOnline Dictionaries for children are numerous. Visual Dictionary Online explores 15 major themes while The Internet Picture Dictionary connects words with images. Kids.Wordsmyth is a full-featured dictionary that includes photographs, animations, synonyms and pronunciations. Little Explorers Picture Dictionary, offered by EnchantedLearning.com, allows for additional research of a particular topic or word. The multilingual picture dictionary provides links to child-friendly sites, making it simple to surf the web. Fact Monster also offers many resources in addition to an online dictionary. MORE FROM QUESTIONSANSWERED.NET We all have had very different childhoods. But there were a lot of similarities. Regardless of where or how you grew up. There are things that all kids have in common. Like destroying their erasers with the tip of pencils. Or pretending to smoke when the air outside is cold. It's stuff we all did but never talked about. But we are going to definitely remember. And you're definitely going to say: "That was SOOOOO me as a kid!" Here are 50 weird things you did as a kid and forgot about because no one talks about it: 1) 5-Year-Old vs. Calculator Your calculator is supposed to know. But the calculators we used, they didn't know. E... what the hell is that? The child was saddened by the unacceptable lack of knowledge. from memes 2) Basement Terror There are still likely many adults that do this. The basement is a large, usually dark, space. It's the kind of place where things can lurk. Basement ~~66~~ from dankmemes 3) Dead Pool This is more like a back float. But if you really wanted to play dead, you'd do a dead man's float. Still, no one cared. They knew you were fine. me when i was 10 pretending i was dead in the pool to see if anyone would care pic.twitter.com/ejSCLi9wIR — diante (@cumrascal) May 26, 2019 4) Fake Smoking Some kids experiment with smoking very early on. But not with cigarettes. With the smoke that forms when you blow outward when it's cold outside. Is there anyone who didn't do that? from memes 5) Seven Years When we're kids, we're told that gum isn't digestible. And that if you swallow it, it will sit in your stomach for seven years. So, you'd freak out when you accidentally swallow it. 6) The Multicolored Pen We all had these multicolored pens as kids. But they didn't last long. That's because we tried to push all the buttons at once so that it would draw with all of the colors. It wasn't supposed to work like that. dynamaux Source: dynamaux 7) I'm Telling "I'm telling" was an oft-heard phrase during childhood. And many children feared that phrase. It made some children power-mad. Me as a child was pure evil from memes 8) Eraser Destroyer It must have been out of boredom. But for some reason, we loved to destroy our erasers as a kid. We'd do it by piercing it over and over with a pencil. pic.twitter.com/9eNsB409KV — SmoX (@FahadKhreji) December 17, 2019 9) Rotten Egg Nothing was more critical in childhood than not being a rotten egg. You'd propel yourself into breakneck speed just to avoid it. No one wants to be the rotten egg. Most intense moments of childhood from memes 10) Middle School Excalibur You never encountered a force like the first time you tried to force two magnets to touch. The sheer force was just incredible. It's like trying to pull the sword from the stone. The middle school equivalent to pulling out Excalibur from dankmemes 11) Pen Mechanics Taking apart your pen and putting it back together is something that you'd do over and over again in class. It was like you were a mechanic. It was serious work. Seven year old me disassembling and reassembling my pen,... from PrequelMemes 12) Clip Face If you had a hair clip like this, then you did this to your face. You would hold it there to see how long you could stand it. Sometimes it would leave weird marks on your face. Me as a kid for no reason pic.twitter.com/5nzbha3F9Q — Lia (@sssniperwolf) January 22, 2020 13) Awaken One of the most dangerous things you can do as a kid is awakening your father from a couch slumber. The slightest move could trigger his awakening. Like trying to change the channel. Literal Childhood Trauma from memes 14) Castle Fort One of the funnest things about childhood is creating a fort from pillows and blankets. It was like a magical place and your own secret hideaway. And regardless of how it looked, it felt like a castle. Good ol' childhood memories from memes 15) Hungry The best snacks were never at your house. They were always at your friends house. So, this was heartbreaking when it would happen. 10 year old me from memes 16) Bikes There's nothing like the freedom of riding a bike. You felt like you had an entire gang of your own when you were riding that bike. You knew where everyone was by whose lawn the bikes were on. 17) Wall Fingers All schools had walls like this. And we all did this to the walls with our finger. Why were the dips finger-sized if they didn't want us to do this. imgur Source: imgur 18) Dyed Ice Pops Parents just don't hand over bags of concentrated sugar and dye anymore. But they did back in the day. Especially on hot summer days. Like A Childhood Memory from memes 19) Stopppppppppaaahhhh LMAO! This is just too damn funny. This is the EXACT face you would be making when you were begging to stop being mimicked and you lost your mind and couldn't handle it anymore. Older siblings were mimicking masters. Childhood memories from memes 20) Mac and Cheese Destiny On some days, everything aligns. Some days, everything just falls together. This was one of those days. 21) Belly Tree How deathly afraid were you to swallow a seed as a kid? Probably very. That's because someone told you a plant would grow inside you if you ate one. sad pand noises from memes 22) You're Fine Things would get out of hand at some point when you have siblings. It would be funny until someone got hurt. Then you'd have to answer to mom. My childhood from memes 23) Speed Shopping Cart Racer You felt like a speedy champion when your mom let you steer the shopping cart. Those hairpin aisle turns... crazy. You could get to the cereal aisle faster than anyone in that store. This is so true tho from carmemes 24) OG Autotune Before there was autotune, there was blowing into a fan. If gave you a very similar sound effect. Kids did it for hours. Keili (keely) Smith Source: Keili (keely) Smith 25) Pool Crawl Kids looked like they were propelling on the side of a building when they were at the pool. You didn't realize you were doing this. But you know you totally did this. Anyone relate? from marvelmemes 26) Soda Shots Remember pretending to take shots as a kid? For some reason we felt a soda cap was the equivalent to a full shot. We'd pour soda into it. nostalgia Source: nostalgia 27) Hide and Seek Master Some of us were hide and seek masters. No one would ever detect us. We'd just be laughing in the dark. 28) The Clothes Rack Kids can turn anything into a toy. Including a clothing rack. You'd hide on the inside on it. My childhood in a meme from memes 29) Playhouse of Horrors The playground was a fun as a kid. It could also be really dangerous. And really painful. My childhood from memes 30) Floor is Lava All kids played "the floor is lava" game. Whether it was on the living room couches. Or tiles at the grocery store. 31) Helicopter Things There has to be a name for these things. I have no idea what it is though. But I do know that it does helicopter sh\*t, who also got bullied in his childhood ? from memes 32) Paper Towel Roll Paper towel cardboard tubes were a magical thing when you were a kid. They could be transformed into anything. A weapon, a megaphone, a hearing device... just about anything. Literally my childhood from memes 33) Say "Hi" Being forced to say "hi" to people as a kid was torture. You only wanted to say "hi" when you felt like it. You just never felt like it. 34) Climbing the Stairs Climbing up the stairs was a full body effort as a kid. You needed to use your hands and legs to get up those stairs. For no reason at all. Me irI from me irI 35) Say "Thank You" Having to say "thank you" was just as bad as bad as having to say "hi." Except much worse. You had to lie because you probably didn't even like the birthday present. 8 year old me when my mum made me ring people to thank them for my birthday presents pic.twitter.com/imCHG9cBeC — Andy Leeman (@AndyLeeman91) April 22, 2019 36) More Nostalgic What was the first car racing game? It wasn't video games. It was playing on this rug with your toy cars and trucks. You had a great childhood if you had one of these from memes 37) Awkward Every kid has had to witness their friend's parents yelling at them. And it's super awkward. It's almost worse than when your own parents yell at you. Listening to your friends parents when they yell at them pic.twitter.com/awZEYzmU5 — francis (@fabelarte) October 24, 2013 38) No Emojis Back in the day, we didn't have emojis to express how we feel. We had these markers. They are basically stamp emojis. 39) Bike Peddle Peddle to the shin. It was the worst feeling ever. Why do they put spikes on those things? 40) Fancy S We all drew these in our notebooks. But what the hell are they? Is there a name for this thing? 41) Tongue Cut Eating candy is supposed to be a pleasurable thing. But that wasn't always the case with a Blow Pop. Sometimes you'd unsuspectingly cut your tongue on their lollipops. 42) The Sticky Hand Sticky hands were fun to watch. They were like \$.25 out of the machine at the grocery store. It would be covered in hair and dirt by the end of the day. 43) Quicksand We all thought that quicksand would be the death of us as children. Boy, were we wrong! We had no idea about taxes, or annoying family, and other people and things that would be thrust upon us when we were forced into this world. 44) Sick Cure It doesn't matter what was wrong with you. If you weren't feeling well these are the things your parents gave you to feel better. It was the stay at home from school special. 45) How? How do moms have magical finding powers? Someone how they would always find items that were lost. It's some kind of mom super power. 46) Being Blind As least kids try to put themselves in other people's shoes. You'd hold your hands out and see what you could feel. It would only last a minute or so. 47) Big Mistake In the 80s, parents used to let their kids sip wine or beer. Just so they could learn how actually gross it is. But we still lied and pretended it tasted good. 48) M\*A\*S\*H When the TV show MASH came on, it was time for bed. All the family shows were over. It was time for the depressing adult show about war. 49) Rhymes Kids used to make up lots of rhymes as a kid. Some of them were hurtful. Sorry boys. 50) Slide Runner Upward slide running was quite the feat as a child. If you could do it, you had some serious skill. Some serious upward slide running skills. Please SHARE this with your friends and family. Source: Bored Panda, Reddit, Instagram 50 things we all did or experienced as kids but haven't talked about since We all have had very different childhoods. But there were a lot of similarities. Regardless of where or how you grew up. There are things that all kids have in common. Like destroying their erasers with the tip of pencils. Or pretending to smoke when the air outside is cold.
